„BGC GROUP Spółka z ograniczoną odpowiedzialnością” Sp. k., ul. Wawrzyniaka 6, 53-022 Wrocław (Poland), NIP 8992681839

Key Participants: OEMs or major companies in the Polish and international aviation industry, whose presence and participation in the Event will be specially indicated, referred to subsequently in this document as “Key Participants”.

Co-Organisers, Partners, Sponsors: Entities admitted by the Organiser to participate in the Event following prior conclusion of appropriate contracts, referred to subsequently in this document as “Entities supporting the Event”.

Organiser of the Event: BGC Group Sp. z ograniczoną odpowiedzialnością [limited liability company] Sp. k. [limited partnership], ul. Ks. Piotra Wawrzyniaka 6 NIP: 8992681839, REGON: 021094068, KRS 0000339717, TEL. +48 071 338 65 30, referred to in subsequent sections of this document as the “Organiser”.

Guests: Participants in the Event who register in the period from August 21, 2021, to September 10, 2021, will follow a programme that has NOT been personalised and will be subject to different terms than those for participants who registered prior to the date given above, and are referred to in subsequent sections of this document as “Guests”;

2. The Event will consist of the following parts:

- a) Rotating roundtables B2B – The meeting participants of rotation tables will have the opportunity to talk with representatives of OEMs, Suppliers (Tier 1, 2, and 3), Aviation Institutions, and New Entries. Each table has space for 7/8 companies and 1 interpreter/moderator (PL/ENG). One meeting session will last altogether 20 minutes, during which each company will have 2 minutes to introduce itself. The interpreter will provide linguistic support on request of a company that indicates such a need. After each session ends, the participants will then move to the next table according to their “personalised” programme.

The Organiser reserves the right to introduce changes in meetings at rotation tables depending on logistical and scheduling demands.

- b) 1to1 meetings with prior reservation – the Event will be attended by official representations of OEMs and companies of considerable industrial significance in civil and military aviation: Key Participants. The representations of said companies will be divided by industries and specialisations (airplanes, helicopters, engines, etc.). The Suppliers (Tier 1, 2, and 3) and

Institutions attending the Event will be able to submit their official requests through the online platform provided by the Organiser. A company reserves the right to approve or reject a submitted request for a meeting. A 1to1 meeting session will last 20 minutes. During meetings the organiser will ensure the presence of an English-Polish interpreter, if participants in the meeting indicate such a need. Prior to the event, every participant will receive their own programme with a detailed schedule of individual meetings.

By no later than August 20, 2021, companies which have completed the registration procedure will receive from the Infodesk a list of OEMs and Key Participants to whom they can send a request for a meeting.

The Organiser reserves the right to introduce changes in 1to1 meetings with prior reservation depending on logistical and scheduling demands.

- c) B2B+ meetings – The participants (OEMs, suppliers, industry institutions, public entities, co-organisers, and “New Entries”) will have the opportunity for presentation in the so-called Showroom.

The companies of suppliers interested in presenting their products and services will have the opportunity to take advantage of 20-minute B2B+ meetings with entities selected and approved by them during this part of the event.

To reserve exhibition space, register online no later than August 20, 2021. Participants must manage the dismantling of their exhibition structure on 21.09.2021 from 6.00 pm to 10.00 pm, except in special cases defined in agreement with the Organizer.

- d) Plenary session, which will see representatives of the entities organising the event, public aviation institutions and entities, and leading (Polish and international) industrial groups appear in the Press Hall. The detailed schedule of the conference and all potential changes to the agenda will be presented on the official Event website: www.aeromixer.eu

The plenary session will be simultaneously interpreted into English and Polish. If the number of representatives of Participants exceeds 180 individuals, the Organiser can decide to arrange for an additional separate room in which a) accommodated representatives of the Participants and b) second and third representatives of Suppliers and Aviation Institutions who registered participation in the Event as last (chronologically). A big streaming screen will be installed in the additional room to present the progress of the plenary conference and all appearances. Participants present in the additional room will be ensured the same standard as those in the Press Conference Room: simultaneous interpretation of the talks, catering and organisational support.

- e) Discussion panels will include the participation of representatives of the Event's Participants. Participating also will be a delegation from Wrocław University of Science and Technology, consisting of engineering alumni, doctoral candidates, lecturers, and students in programmes directly related to the topic of the event.
 - f) Open Networking in which all participants who confirm their attendance will take part. During the networking session there will be an opportunity to deepen business contacts made at earlier stages of the event, to make new contacts, or simply to enjoy the attractions the organiser has arranged for participants.
3. Registration – In order to take part in the Event, in particular in the meetings discussed in points 2(a) and (b) and (c), purchase of an entrance ticket and payment of other fees mentioned in point 4 are required, as well as registration of your participation by sending the completed registration form, which is available at <https://aeromixer.eu/en/> , no later than August 20, 2021. Details regarding registration will be provided on the invitation or on the Organiser's webpage. Participants who complete registration between 21.08.2021 and 10.09.2021 will be qualified as "Guests" and included in the "non-personalised" programme.
 4. The cost of particular packages along with technical details and other fees (e.g. for space in the Showroom) will be published on the webpage <https://aeromixer.eu/en/> along with the registration form.
 5. The cost of an admission ticket includes: entry to meetings organised as part of the Event, in accordance with the Rules and Regulations; food & beverage catering services (hot and cold); support by service staff provided by the Organiser; interpreting services on location, in accordance with the provisions of the Rules and Regulations; a set of Event materials and car parking on the Stadium premises in areas indicated by the Organiser.
 6. The Organiser has the right to award a range of discounts for individuals' companies, Public bodies, and Institutions, or to also make individual exceptions to the provisions of these Rules and Regulations, etc.
 7. Due to the limited number of spaces, the order of registrations is important. Companies, which register before the date of 31.01.2020 will be treated with priority.

8. The number of tickets for the event is limited and are available only until all places are filled. If all available places are taken prior to August 20, 2021, the Organiser has the right to close the registration process immediately.
9. Individuals who have not registered or paid the registration fee will not be able to participate in the Event unless, in exceptional situations, the Organiser decides otherwise.
10. We reserve the right to introduce changes regarding the terms and programme of the Event. The Organiser will provide notification of any such changes on the webpage, by e-mail or by call (for registered participants). Each participant will receive on entry an individual programme of participation in particular stages.
11. The organiser reserves the right to introduce additional changes to these Rules and Regulations to resolve any issues that may arise which were not initially addressed. For these changes to take immediate effect, they must be appropriately posted and sent to Participants.
12. Pursuant to point 11 of the Policy, in order to allow for the Event to be held during the restrictions effective due to the COVID-19 pandemic in Poland and the states of participants, who may find it difficult to travel to the Event in Poland, the Organiser may organise the Event in hybrid format, i.e. with an additional option of taking part in the Event or some of its parts with remote communication measures (online). If required to do so by the restrictions effective in Poland or wellbeing of the Event's participants, the Organiser may decide that certain participants will be able to take part in the Event online only.
13. The data of registered participants will be made available to the Main Sponsor, Co-Organizers, and Partners of the Event for marketing purposes. The register of these entities will be available from the Administrator of personal data.
14. Pursuant to art. 13 of the General Data Protection Regulation of 27 April 2016 (Official Journal of the European Union L 119 of 04.05.2016), we hereby inform of the following:
